**TENTATIVE DECISION REGARDING FUTURE PROCEEDINGS  
RE DISPUTE BETWEEN PG&E AND KOMIR, INC.**

The court has reviewed the parties' competing status conference statements (Dkt. Nos. 13861 and 13864). If Komir, Inc. ("Komir") proves correct, and this entire controversy can be resolved by a second motion for summary judgment, that is the preferable approach. Thus, the proposed schedule (Dkt. No.

1 13864, at 3:2-4) is acceptable. If incorrect as to damages and  
2 remedy, Komir's proposed discovery schedule (Dkt. No. 13864, at  
3 3:12-16) can be adjusted slightly to become operative following  
4 a ruling on the second motion. If entirely incorrect, and the  
5 motion is denied, the court will consider a revised discovery  
6 and trial schedule.

7 That said, there is no reason why this dispute, that has  
8 been known and anticipated by both sides for years, needs  
9 another year to await trial and final trial-level determination.  
10 If PG&E accepts this tentative ruling, its counsel should notify  
11 counsel for Komir and the courtroom deputy by 9:00 AM on July  
12 11, in which event the matter will be continued from July 11, to  
13 October 3, 2023, at 10:00 AM.
